(Special to The Bulletin.)

Willimantic, Nov. 23.—Although the weather was somewhat bad for the opening of the basketboll season, many attended the opening game in the old armory on Valley street on Thursday evening. For some unknown reason the two teams that were scheduled to play an exhibition game cancelled the arrangements in the last few minutes before the game was to start, but two other teams were secured to take their place. This game was between the Fancy Corners and the All Stars. The former lived up to their reputation and took the game by the score of 13 to 9.

For the main exhibition of the evening the Emeralds and the Storrs independents put up a fine game of basketball which was fast and furious from the start. Riley of the local team was the star of the evening, caging six baskets from the floor. Norton played a fine game for the visitors, getting four field goals and two foul goals, besides covering a great deal of the floor. One point was given to the visiting team, as one of the Emeralds fouled as one of the opposing men was about to try for a basket. The local boys managed to get out on the big end of the score, which stood 24 to 19 when tim ewas called. In the second half it looked as if the college boys would the the score several times, but just as this point was at hand one of the local boys would cage a basket.
